CCCR Buttonwillow 2010 Drivers Education

Sponsored by: SGS Porsche, GRides, Smith Volvo Lotus

May 21, 2010

Hi there, fellow members. This May is the time for our annual driver education event at Buttonwillow Raceway Park. The date is Friday, May 21st. Clothing requirements are long sleeved cotton shirt and long pants, closed shoes and a SA95 or later Snell approved helmet. If you do not own a helmet, you can rent one from the track for \$10/day. Although PCA members from other regions and other local clubs are allowed entry, we have reserved the first 80 entries from CCCR if postmarked or dated by April 26, 2010. We are doing this to encourage CCCR members to enter. After that date, entries are first come, first served. Total entries are limited to 100 drivers. Entry and Safety Tech Inspection forms are included in the April & May 2010 Coastlaire and on the CCCR website. Each entrant should receive more than an hour of track time so sign up early to guarantee your entry.

What is Driver's Education and why is it useful?

Driver Education is intended to afford participants the opportunity to develop car control skills in an organized manner and in a controlled and safe environment. The plan is for participants to accomplish this while they have a good time and learn from their experiences. The safety of participants and their cars is the number one concern. The goal is for each participant to become a more skilled and safe driver and to provide each with the opportunity to learn about their Porsche and the driving experience made possible by Porsche cars.

When: Friday, May 21st, 2010

Where: Buttonwillow Raceway Park, www.buttonwillowraceway.com, clockwise direction, Layout #1.

Cost: \$160 1st driver, \$115 2nd driver (same car); (\$180 non-PCA 1st driver, \$130 2nd driver, 1 car)

Tech: A free pre-tech will be held at SGS Porsche for all entrants in SLO County at **6:00PM** on **Wednesday, May 13th**. A late tech fee of \$25/car will be charged for tech at the track. This pre-tech will allow the DE to start on schedule, thus providing more track time for entrants. The pre-tech will also allow time for problem resolution for entrants that have a tech issue. SGS Porsche's address is 1144 Higuera St., SLO. Current annual logbook from PCA, POC, NASA, SCCA or other racing organization accepted. Tech by a Porsche related automotive shop is OK. Personal tech is not accepted. Tech at the track will be very limited. Please contact registration and inform us in writing at least a week before the event if you cannot be inspected before the event. Email is acceptable for written notice.

Registration: Download the entry form from the CCCR website and forward it to Jon Milledge with your check payable to "CCCR/PCA" before **Friday, May 14th**.

Jon Milledge, 2116 Del Norte St., Los Osos, CA 93402 ph:805.704.8785;

jon.milledge@yahoo.com

First time Drivers: A ground school is planned for first time drivers if 10 or more enter in advance. Time and location will be announced in the entry packets.

Camping: If you plan to be camping at the track, please indicate that with your entry. The track will be locked from 7PM on Thursday to 7AM on Friday.

General Questions: Jon Milledge jon.milledge@yahoo.com, 805-704-8785 days; 805-528-1665 eves.
